

Young People's Voice in Research

Aged
11-24?

Want to
meet new
people?
Learn new
skills?

Yes? Then we
want to hear
from you!

The NIHR Manchester Clinical Research Facility is setting up a group for young people to contribute their ideas and opinions about clinical research

No experience necessary - anyone can get involved

To get involved or for more information contact:
publicprogrammes@cmft.nhs.uk / @researchdialog

or call 0161 276 3368
