

Step into Care

A pathway into
social care employment

Are you interested in working in social care?

We are looking for people with the right values and transferable skills to begin their social care career.

Roles include care assistants, housekeeping, laundry, catering and more.

No experience necessary.

Step into Care can provide you with:

- Initial face to face virtual training to gain an introduction into health and social care
- A placement with a reputable social care employer keen to welcome you into their team.

If you are caring and compassionate, have good communication skills and looking for a new opportunity, then get in touch today!

For more information: www.gmcareershub.nhs.uk/step-into-care

To enrol today contact the training provider WEA on manchesterskills@wea.org.uk or call **0161 696 5472**

Step into Care is delivered, supported and funded in collaboration with the Greater Manchester Health and Social Care Careers Hub, Greater Manchester Health and Social Care Partnership, WEA, Greater Manchester Combined Authority, Department of Work and Pensions, Health Education England, Skills for Care and social care providers across Greater Manchester.
